

Local Government Energy Partnership

ENROLLMENT FORM

The Local Government Energy Partnership (LGEP) provides technical assistance and information services to assist small to medium sized cities, counties, and special districts to complete energy efficiency projects in public facilities and to promote energy efficiency within their communities. Local government entities that pay Public Purpose Program charges (Public Goods Charge) and are Pacific Gas and Electric Company customers are eligible to participate in LGEP on a first-come, first-served basis until the Program ends or allocated funding is depleted. These services are provided free of charge to qualifying local governments and special districts. The amount of funding allocated to each participant may limit the time period and/or services provided under the LGEP program.

In order to participate in LGEP, _____ (Local Government) agrees to the following:

1. Designate a primary contact to facilitate the Local Government participation in LGEP and commit sufficient staff time to support LGEP's successful delivery of program services.
2. Provide access to facilities and information as reasonably necessary to enable LGEP to successfully deliver program services.
3. Authorize the release of utility billing data to LGEP necessary to complete a facility energy assessment (if engaging LGEP for local government facilities) and provide facility area measurements as reasonably necessary.
4. Consider implementing the recommended energy strategies that are economically and operationally feasible, and cooperate with LGEP efforts as reasonably as necessary to verify facility energy savings, policies, and programs that result from program participation.
5. Consider participating in any workshops conducted by LGEP that are relevant to Local Government energy goals.
6. Has not received and will not apply for or receive duplicative services from another utility, state, or local program.

This Enrollment Form shall be effective as of the date it is signed by both parties. These conditions shall remain in effect until LGEP services are fully delivered or until March 15, 2005, unless otherwise terminated. My signature below indicates that I agree to the above conditions, and I am authorized to sign this Form on behalf of Local Government.
